

City of Conneaut Comprehensive Land Use Plan

Help Plan Conneaut

The City of Conneaut requests your presence to help finalize the Comprehensive Plan, specifically Strengthening Our Economy & Preserving, Conserving, and Managing Our Greenspace. A Public Forum is scheduled as an opportunity for you to hear about concepts and development plans, help prioritize and activities the city should do.

Why Is It Important?

These concepts and plans include a policy framework for the entire city and recommendations for zoning changes, future housing development, community character enhancements and public facility improvements.
